Monday	Closed

Restaurant Bookings: Get annoyed when someone brings home 10 friends for dinner at short notice, well we don't but we would much prefer you to book so that we can provide you with a table. Our Chefs are very appreciative when you do book because it means they can ensure that they have enough food to cover your bookings.

Do you like to sit at a window looking at a great view while dining? As you will see we only have so many tables by windows so to secure one you need to book early. Ring the Club or email (gm@baysclub.co.nz) and if it is a special occasion, let us know, we do like to do something extra on these occasions.

Rangitoto Sports Bar: Open to all members and their guest aged 18 years and over. Join us here for regular Pool, Snooker, Darts and of course you can watch all the big sporting occasions on the big televisions.

We have **10** Pokey machines for those who like to have a little flutter during your spare time.

Membership Cards As a Club we are governed by the Liquor Licensing Laws. Each member must be able to provide proof of their Membership, or visitor's status, by carrying their membership card or Visitors pass at all times. On a good note, swiping your card will get you through the front door and it will give you a discount on a purchase from the bar.

Dress Code: A smart casual standard of dress is required at all times. No bare feet, no torn clothing or work day-glow clothing/boots.

Behaviour: We like to see people enjoying themselves and that all comes down to everyone portraying good behaviour patterns.

Guests: All guests **MUST** be signed in by an accompanying member and must leave when the member leaves. No local guest may be signed in more than once a month. Frequent use of the club will require membership.

If you have a guest visiting from overseas, we can provide a temporary membership for them, should they wish to use the Club for the duration of their stay.

Privacy: Photos are not to be taken within the club without prior approval from those in the photo or Management consent.

Gaming Area: Entry into the gaming area is restricted to members and guests 18 years and over. Guests must be in receipt of a signed visitors pass before they can play or claim any prizes.

Smoking/Vaping A smoking area is provided at the western end of the Deck. Please help us keep Browns Bay clean by using the ashtrays provided, rather than throwing it onto the roadway.

Club Etiquette: We do appreciate the effort when members return their empties to the bar.

Food: Members and their guests are not permitted to bring their own food into the Bays Club. Only food from our restaurant or bar may be consumed on the premises.

Entertainment: Keep an eye open for regular live entertainment. We have had Tribute Shows such as Rud Steward, Freddy Mercury, Tina Turner and more. These will be displayed as you walk in the door, on the website www.baysclub.co.nz and on Facebook Bays Club Inc. plus the TVs within the Club. Children under the age of 18 may not attend any of the Club Shows/Functions.
